

MEMO

TO: All Coaches and Managers
FROM: Helen Molyneux
DATE: 15th March 2005

This is a follow up from the meeting last week in regards to the Club Policy on shirts.

- 1) Shirts remain the property of the Club and are to be handed in at the end of the Season with your kit.
- 2) Each shirt costs the club \$40, last year we spent over \$20,000 for new shirts. In the last two years we have purchased new shirts for all teams from Roo-Ball to Seniors. We hope that these shirts will last at least five years.
- 3) No shirts are to be worn home by individuals, as they end up losing, trashing or forgetting them for the game.
- 4) Shirts should be gathered in at the end of each match, given to a family to wash on roster and returned to the manager at training each week.
- 5) Each kit was signed out by a coach or manager in good condition and we would like these returned back to us in good condition including the shirts.

Please note: Other clubs have the same policy regarding shirts for both girls and boys.

With Regards
