Castle Hill RSL ROCKETS

Grading Timetable

Our grading policy is designed so that players have the opportunity to play in a competitive environment, appropriate to their skill and ability, and players, coaches and parents alike, have FUN, enjoy the season, and return to the club year after year.

Funskills and In-House ages 5 to 8

Grading does **NOT** apply to our Funskills or In-House programs.

You will receive further advice shortly in relation to start of the program.

Grading for all other ages

The grading policy recognises the benefits of building upon the teamwork established throughout the season and previous years. A cornerstone of the grading policy is to allow the core or nucleus of a team to be retained, year after year. Players returning from the previous season and players who are new to the club are all taken through the same grading process, conducted by the grading committee.

Grading Days

All players are required to attend Grading Sessions on Sunday the 12th February 2012 at Gilroy College, Marie Street Castle Hill as teams will be finalised on this day.

Sunday 19th February 2012 will be available if any delays are incurred due to wet weather or finalising of teams only.

Communication will be via our website www.rockets.net.au
